ACCESS CONTROL

ZKTeco has been at the forefront of access control solutions for the last 30 years, integrating advanced biometric technologies with innovative and versatile terminals. As we know that no two projects are the same we have ensured to offer a large and versatile range of options so that you can provide your client with an ideal and unique solution.

Access Control terminals

SKW-H2. Standalone keypad for outdoor use	4
SKW-V2. Standalone keypad for outdoor use	4
X8s. Standalone Keypad with fingerprint sensor and RFID	4
SF420. Access Control and T&A terminal with fingerprint sensor	4
SC Series. RFID Access Control terminal	5
SCR100. RFID Access Control terminal	5
SC700. RFID Access Control terminal with color touchscreen	5
F9. Access Control terminal with incorporated fingerprint sensor	6
F18. Access Control terminal with incorporated fingerprint sensor	6
F19. Access Control terminal with incorporated fingerprint sensor	6
F21. Access Control terminal with incorporated new generation SilkID fingerprint sensor	6
F22. Access Control terminal with incorporated new generation SilkID fingerprint sensor and WiFi	7
MA300-BT. Waterproof AC terminal with incorporated fingerprint sensor and RFID and Bluetooth	7
X8-BT. Access Control Keypad with SilkID fingerprint sensor, RFID and Bluetooth	7
TF1700. Waterproof Access Control terminal with incorporated fingerprint sensor	8
TF1600. Waterproof Access Control terminal with low temperature resistant fingerprint sensor and RFID	8
MA300. Waterproof Access Control terminal with incorporated fingerprint sensor and RFID	8
MA500. Waterproof Access Control terminal with incorporated fingerprint sensor, RFID and keypad	8
Multibio700. Face detection Access Control terminal and incorporated fingerprint sensor	9
Multibio800 / H. Face detection Access Control terminal and incorporated fingerprint sensor	9
V350. Access Control terminal with finger vein authentication	9
FV350. Multi-biometric Access Control terminal with finger vein and fingerprint authentication	9

Access Control Panels

C3 Series. RFID Access Control Panels	10
inBio Series. RFID and Fingerprint Access Control Panels	10
Metal Box. for C3 and inBio Access Control Panels	11
C3 PoE Bundle. RFID Access Control Panel with integrated PoE	12
inBio PoE Bundle. Fingerprint Access Control Panel with integrated PoE	12
C3 WiFi Bundle. RFID Access Control Panel with integrated WiFi	13
inBio WiFi Bundle. Fingerprint Access Control Panel with integrated WiFi	13
Demo Kits. Demo boxes for C3, inBio and EC10	14

External Readers

KR Series. RFID External Readers	15
UHF Series. UHF Long range readers	17
FR Series. Fingerprint External Readers	18
USB Readers. USB Fingerprint and RFID Readers	19
